Relevant Statutes:

§ 60.41 Annual financial statement. The town board annually shall prepare a statement of the financial condition of the town and present the statement to the annual town meeting. In preparing the statement, the town board may provide for assistance by any person. The statement shall include the previous year's revenues and expenditures and the current indebtedness of the town.

§ 60.22(1) Charge of Town Affairs. The Town Board has charge of all affairs of the town not committed by law to another body or officer or to a town employee. [Because statutes do not give Town Electors the authority to choose posting places or the official newspaper, this clause effectively gives that authority to the Town Board.]
